Biting Anorexia A First Hand

BOOK REVIEW Anorexia: a personal story

Biting anorexia A first-hand account of an internal war Lucy Howard-Taylor Sydney: Finch Publishing, 2008 (ix + 214 pp, \$2495) ISBN 9781876451929 I UNDERTOOK REVIEWING this book with some trepidation I presumed it would be yet another distant “tortured” account of anorexia I found it quite the opposite Lucy is an 18-year-old Austra-
professional practice

anorexia is a horribly complicated, difficult to understand illness lucy Howard-taylor’s ‘Biting anorexia: a first-hand account of an internal war’ breaks down common stereotypes about the disease, and reveals the psychological torment that it involves Howard-Taylor is a high achieving perfectionist who suffers with anorexia

Dear Friends—

Biting Anorexia A First-Hand Account of An Internal War Lucy Howard-Taylor Much of this memoir was originally written in the author's journal as she struggled with anorexia As a result, the book presents an unflinchingly honest view into her life and mind The book includes Lucy Howard-Taylor's guide to the important steps in her recovery

Biting the Hand that Starves You: Inspiring Resistance to ...

Biting the hand that starves you describes an alternative approach to the treatment of eating disorders, involving the construction of a new narrative coined by the authors as 'Anti a/b' Although not stated in the book, the premise underlying narrative therapy is that re-telling

Anti-Anorexia/Bulimia: A Polemics Of Life And Death Part ...

Above, anorexia, in a manner of speaking, expresses itself through a voice of strong moral judgment In our conversations with those (whom we refer to as ÔinsidersÕ) who struggle first-hand with the problem of anorexia and bulimia, when we distill the voice of anorexia/bulimia (a/b) we typically hear this kind of strong moral rhetoric
